Forecast for Friday 06 Nov 2020

Weather: Extensive low cloud will affect the area throughout the morning with the chance of a little drizzle. Into the afternoon the cloud will break up to allow sunny spells, with largely clear skies later. Southerly winds will ease through the day.

Chance of cloud free mountain/hill tops above 800m: Very low through the morning, becoming high by mid-afternoon.

Visibility: Poor at first, becoming good at low levels through the morning and good at all levels by around mid-afternoon.
